

# quick guide INSTALLER KEEpad

- MOTION keyboard, 3 channels 868 MHz ·
- IP65 · 3 batteries AAA 1,5V ·
- Autonomy: 2 years/6000 activations ·
- 20 / +55 °C

EN

Radio keypad with visual interaction  
and INSTALL&GO start-up

## Description

3-channel motion transmitter; 3 different functions (open door, switch on courtesy light, ...).  
Each of these channels is activated with a different password.

## Installation

Remove plastic from  
batteries

Save master code label in  
a safe place

Screw back cover

Fix support

Slide on wall support

Fix device (use provided  
tool)

Do not install near transmitting equipment of radiofrequency (it  
could decrease the battery life time).

## Programming

PROG

Enter programming mode  
in receiver

Wake up

Enter the channel password  
to be programmed + OK

The default passwords are: 1111 for channel 1, 2222 for channel 2 and 3333 for channel 3.

## Reset

Enter configuration mode

Select reset (↻)

Enter master code (see yellow  
label + OK

After a correct master code (↻ + 🔊), the default passwords are restored and, for safety, the keypad is reset from the receiver (it must be reprogrammed).

Paste here  
the master  
code label

1234

EN

Radio keypad with visual interaction  
and INSTALL&GO start-up

## Configure password

Wake up

Enter configuration mode

Choose channel (1, 2 or 3)

Enter current password  
(4-8 digits + OK)

Enter new password  
(4-8 digits + OK)

If you do not  
remember the  
current password,  
you must reset the  
device (see the  
installer guide)

## Problem solving

See our website for troubleshooting:

[www.jcm-tech.com/JCM/keepad-keepush/](http://www.jcm-tech.com/JCM/keepad-keepush/)

	MY PASSWORD	BY DEFAULT
CHANNEL 1		1111
CHANNEL 2		2222
CHANNEL 3		3333

## Normal use

Wake up the device

Enter password + OK

After 3 wrong trials the system is locked for 2 minutes.

The anti-spy feature allows you to press random numbers before entering the password: the keypad only uses the last digits

## Batteries replacement

Unscrew device and slide on wall support

Unscrew back cover

Replace batteries  
(3 x 1,5Vdc AAA type)

When batteries are near to the end of its useful life time, the  indicator flashes.
